

## Maine Robotics

Maine Robotics is a non-profit dedicated to bringing quality programs to Maine schools and youth.

We offer the Maine FIRST LEGO League in the fall; the spring Maine Robot Track Meets; school and community workshops and of course our ever-popular Summer Technology Camps.

Each year Maine Robotics works with over 100 schools and 1700 youth as we help technology oriented children learn more about their potential.

What can YOU build?

LEGO®, VEX and Minecraft are registered trademarks and are not affiliated with Maine Robotics.

## Maine Robotics Day camp programs for ages 9-16

### LEGO Robotics Camp

Ages 9-14, learn to build and program LEGO robots. Since 2002 we've had over 3,000 happy campers building robots here in Maine. What can YOU Build?

### VEX Robotics Camp

Ages 12-16, learn to build and program VEX robots in this week long summer camp. This is a great learning opportunity for the older camper. Hallowell only.

### Programming in Minecraft Camp

Ages 10-14, you all love playing it, now you can program it! Spend the week learning how to write code that will change the game. Then spend some time playing with the other campers. Falmouth only.

### Build Your Own Computer Camp

Ages 12-16, find out what all those parts are INSIDE the computer! You'll spend the week building a desktop computer and by the end of the week you'll go home with a fully functioning computer of your own!

#### Camps In:

Auburn, Augusta, Bangor, Bar Harbor, Brewer, Berwick, Brunswick, Camden, Ellsworth, Falmouth, Farmington, Gorham, Hallowell, Lamoine, Lewiston, Orono, Portland, Rockland, Sanford, Waterboro, Waterville, Wells, and Westbrook

Payment and registration now accepted ONLINE!

For much more information visit:

<http://camps.mainerobotics.org>

Camps include snacks but campers *must* bring a brown bag lunch. All camps are open to **girls and boys**.

**Hours:** 8:45 am to 3:30 pm

**Robotic Session levels**

**Beginner:** Open to boys and girls ages 9-12; No previous experience needed

**Advanced:** Open to ages 11-15; must have already attended a robotics camp *or* have been a member of a LEGO Robotics Team

**Mixed:** Open to 9-13, beginners and advanced.

A medical information form and an emergency contact form are required prior to the start of camp. This will be provided to each camper prior to the start of the session.

You can also visit our Web site or call for copies of these forms.
